KlubCoin

KlubCoin is offering the viewers the possibility to TIP their favorite DJs, and to provide the artists a new way to get supports from their loyal fans!

Being the first cryptocurrency in the electronic music industry, KlubCoin has develop a super easy tool (we cannot stress enough how easy it is to use) to tip live, at your fingertips.

Just with their phone and by scanning QR codes showing up on your live stream, your viewers you will be able to tip and support their favorite artist...YOU !

Each QR code is unique and belongs to the artist only, the tips are going straight to the DJs offering a direct link between the artist and its fans.
